Stationary Router Table

Models 3551 & 3511

IMPORTANT

Read and understand all safety guidelines and instructions carefully before operating.

GENERAL INFORMATION

You have purchased a ROUSSEAU CO. STATIONARY ROUTER TABLE MODELS 3551 or 3511. Both models are excellent for building a router table, work bench, or a similar use where a solid base is necessary.

WARRANTY

This product has a lifetime warranty to the original purchaser that applies to defects in materials and workmanship only. We will repair or replace the product or part(s) at our discretion. This warranty does not apply to product failure or defects due to normal wear, direct or indirect misuse, abuse, negligence, accidents, alterations, unauthorized repairs or lack of maintenance. The item must be shipped prepaid to our Clarkston, WA location. If items must be returned for warranty service, call to receive a Return Goods Authorization (RGA) number and further instructions.

SAFETY GUIDELINES

THIS SECTION CONTAINS IMPORTANT SAFETY INFORMATION CONCERNING HAZARDS THAT MAY CAUSE SERIOUS INJURY OR DEATH, and/or damage to product or tools if used improperly. Please read the following instructions very carefully.

⚠ WARNING

Always follow the safety recommendations and guidelines provided by the manufacturer of your tools and supplies. When in doubt, refer to your owner's manual.

⚠ WARNING

Always wear ear and eye protection. Failure to do so may cause severe injury to hearing or sight.

⚠ WARNING

Always wear substantial footwear. Failure to do so may cause severe injury to feet.

⚠ WARNING

Always know where you are driving stakes. Before using, locate all buried lines and cables. Call your utility or cable company if you are unsure.
